

Kiwanis Luncheon

2024

Written by: Olive Hobson

Edited by: Averi Stitzel

The Kiwanis Luncheon was a great experience! First off, we ate lunch then they introduced everyone that was hosting the lunch and even introduced us to FFA members. Next up, they provided us with a song book to follow along and sing! Finally, Clark State students came and provided us with a presentation over their agricultural program. This experience was very fun and I am excited to attend next year's event! I loved being able to meet new people and learn about what agriculture is like at Clark State.
