

The Greenon FFA Celebrate the Annual FFA Banquet

Written By: Macy Timmons

Edited By: Emma Bennett

On March 20th, 2021 Greenon FFA held its annual banquet at 6pm. Although things were still a little different from the normal look of their banquet due to the COVID-19 pandemic, Greenon FFA members were still able to enjoy a fun ceremony to recognize all their accomplishments of the year. The banquet was set up to follow all social distancing guidelines and was limited to only parents and/or guardians of FFA members. Even

though the number of guests had to be kept small there was still a great turn out in numbers, helping make the banquet feel semi normal for this year's ceremony.

At this year's banquet 2020-2021, an eight person officer team ran and presented almost all the awards at the banquet to their members. They awarded sixteen Greenhand Degrees to their first year members, thirteen Chapter Degrees to their second year members, five State Degrees were awarded to third and fourth year members, and two American Degrees were presented to former members looking to achieve their next level of success within the FFA. Along with awarding degrees to their members they also handed out certificates and pins for their Committee Chairs, Career Development Events participants, Proficiency awards for members SAE's, and several others to recognize all the hard work and dedication these members put into their chapter.

Greenon FFA's Advisor is Sara Casto who helped to present awards to the outstanding and over-achieving members of their chapter. The Officer team that presented the other awards includes: Makenna Taylor-President, Brandi Mamer- Vice President, Krista Tittle-Secretary, Kaylynn Wilhem-Treasurer, Morgan Paulus-Reporter, Kacie Sizer-Sentinel, Jeffery Springer-Student Advisor, and Macy Timmons-Chaplain. Each of these officers played a major role in making sure that their banquet ran smoothly and was a success. All these awards show how much dedication and hard work each of these members put into their chapter and recognize all of their achievements and endeavors over the past year.
